

Policy with Regards to Vehicular Speed Limit

**Adopted by the Board of Directors of Waterscape Homeowners Association, Inc.
March 16, 2015**

CONFIRMED BY A VOTE OF THE BOARD OF DIRECTORS

March 13, 2015

The speed limit for vehicular traffic within the boundaries of Waterscape Condominiums is 15 miles per hour.

Waterscape is a popular destination, particularly in warm weather, when residents welcome many guests. Drivers are cautioned to reduce speeds even further when the property is crowded with visitors, including many children.

Likewise, lower speeds are appropriate when weather conditions dictate.

It is important for Waterscape residents to make sure their guests are aware of and observe the speed limits within the community.

Waterscape's winding streets and cul-de-sacs contribute to the beauty of the community. But they require drivers to respect the 15 mph speed limit and be observant.
